Sculptor presentation

The Frederick County Art Association will introduce Lawrence Schneider, a sculptor from Hunt Valley, to its members and the public on Monday in the program, "Almost Dead and Famous." The presentation will begin following the monthly members'

meeting at 7:30 p.m. at the Delaplaine Visual Arts Education Center, 40 South Carroll Street, Frederick. Creating a series of abstract "ribbon" sculptures, Schneider pursues his art with great passion. Over many years, he developed his direct carving skills as a hobby until 2004 when he made art a full-time career. Since then, his work has been accepted in juried competitions, including the 2007 Delaplaine Regional Juried Exhibit. Schneider earned a Bachelor of Science in aeronautical engineering and a Master's degree in computer systems management. He had careers in both professions and is now enjoying a positive response to his entry into the art world. His abstract sculptures incorporate delicate unbroken ribbons of polished wood or bronze to uniquely form their basic structures. The public is welcome to attend for free. For information about the program or becoming a member of FCAA, call 301-371-3571.
